

Dear Students,

Welcome to Team 6A! I am very excited for this school year and I hope you all are too. My name is Ms. Lungo and I am the co-teacher and Support teacher for team 6A. I will be working with all 4 Team 6A teachers in and out of the classroom this year. Within the core classrooms my job is to help teach the curriculum, support the teachers, and support all the students.

As your support teacher my job is to help you with individual goals, review and practice what you are learning in your core classes, help you stay organized, and most importantly help you be successful in your everyday life.

Some Important Thoughts:

- My #1 Rule in the classroom as well as in life is: **GIVE RESPECT AND YOU WILL RECEIVE IT!**
- None of us are perfect! I know I am not. I am going to make mistakes but I will always try my best to correct them, and I expect you to do the same.
- Please, Please, Please **never be nervous to ask for or admit you need help.** As a teacher, I am forever going to be a student. Teachers are required to always keep learning. I know what it is like to feel confused, lost, or feel like you're the only one in the room that doesn't understand. I want you to **always** feel comfortable being honest with me and I promise I will do my best to help you feel more at ease.
- I am always here to help, but I am unfortunately not a mind reader. If you are having difficulty with a topic or assignment let me know **BEFORE** the due date or day of the test!!!! There are many opportunities throughout the day to speak with me. I also check my e-mail frequently if you need help outside of school hours. My after school schedule can also be pretty flexible, and I can stay most days when given some notice.

Sincerely,
Ms. Lungo
